

## **ALLOY SUPERYACHT 112 'AKIKO' - 34M - 12 GUESTS / 6 CABINS / 12 SLEEPS**

Yacht charter abroad, to explore the world.

Akiko: An intense desire to explore these parts of the world that few of us have the chance to visit.

Since 2017, the Akiko superyacht has been cruising the west coast of Australia, from the Coral Coast to Kimberley. First launched in 2007, she won five major accolades at the 2008 World Superyacht Awards.

In 2020-21, she ventured to Thailand and Malaysia then to the Indian Ocean in the Maldives.

Akiko? The owners wanted to find the baptismal name perfectly reflecting its country of origin, New Zealand. Ākikā in Maori means away from home.

Akiko's real gift is the time spent away from the hustle and bustle of the world to enjoy a journey of discovery with friends and family.

The yacht is a legitimate moving art gallery, with collections from Melanesia, Australian Aboriginal artwork, and a general Pacific feel.

Her great width of 7.8m offers a vast unusual space for a 35m superyacht and great stability.

Akiko travels to incredible destinations, appealing to the more adventurous customers: after the Kimberley in Northwest Australia and Papua New Guinea, the Maldives, and Thailand in 2020.

Huge selection of water sports equipment to cater to the most active guests on board. An excellent boat for exploration, with opportunities to partner on ocean research and experience the trip of a lifetime, unique 'expeditions.

Captain Bob has a lot of experience and leads a dynamic and fun team. We would be happy to tell you about the best routes this region can offer!

Perfect for charters off the beaten track, family, and or between friends.

## Specification
